'Let your light shine'

Letting our Light Shine

Because of our Christian vision, we try our best to live out our Christian values in everything we do. Here are some examples of our children 'letting their light shine' in school this week.

Year 3 had some excellent discussions this week about the theme 'same but different' and what this means to them and created some wonderful artwork.

Year 4 were great scientists as they sorted different solids, liquids and gases.

Year 5 enjoyed creating artwork for the PAN exhibition. This year, the theme is all about 'same but different'. Children had to use their skills from their previous art unit, Expressionism, and create a final piece.

**Is your child due to start school in September 2023?
Please read the important information below.**

First Admission to Primary School – Reception 2023

If your child was born between 01.09.18 – 31.08.2019 you need to apply for a primary school place for September 2023.

Apply online at www.warrington.gov.uk/schools

If you need help with the application, our office team will be happy to help.

The deadline is 16.01.23

Our Christian Value for this half term is:

'Thankfulness'

"Praise the Lord. Give thanks to the Lord for he is good; his love endures forever."

Psalm 106:1

This week we pray to give thanks for our amazing planet and ask for help in looking after it well.

This week's big question is:

How do we show thanks?

Staying Safe Online

Our e-safety message this week focuses on our gaming category, in particular World of Warcraft. This has blossomed over the years and has attracted a host of players of all ages. As with any online game, there are various things to be aware of and our guide this week gives tips on what to look out for such as online addition, in app purchases and simulated violence.
