'Let your light shine'

We have had such a special and memorable day at school today, celebrating the coronation of King Charles III. Our children have taken part in a special service in church, created amazing art work, added flowers to the beautiful crown outside church and had so much fun at our party this afternoon.

Have a lovely bank holiday weekend.

LETTING OUR LIGHT SHINE: HERE ARE SOME OF THE WAYS WE HAVE LET OUR LIGHT SHINE THIS WEEK...

Our Christian Value for this half term is:

'Service'

This week we pray for all those who have lost a loved one.

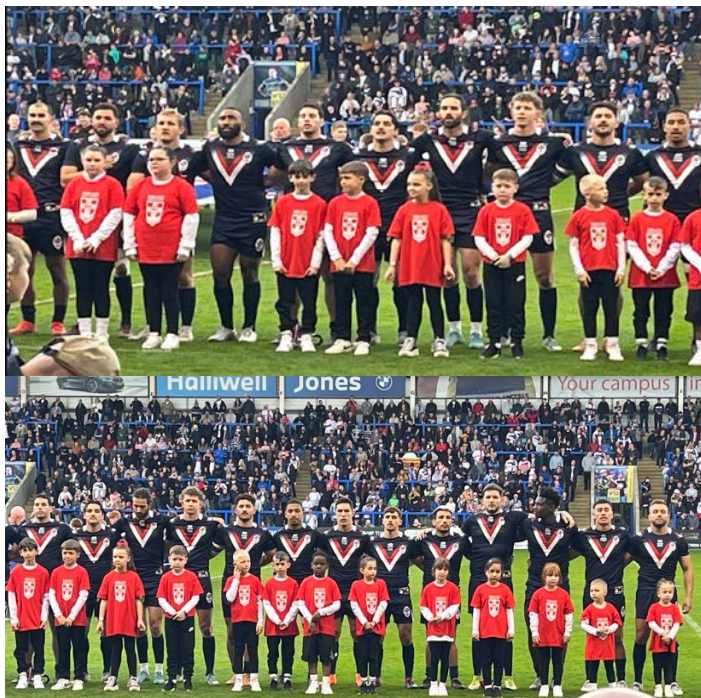

"Serve one another in love."

Galatians 5:15

This week's big question is:

Who relies on me to act responsibly?

What an amazing day on Saturday! Our children were mascots and guards of honour for the men's England v France game. They were commended on their impeccable behaviour, by the organisers of the event. It was so lovely to see our children and families enjoying such a wonderful opportunity and our children were even on the TV!

Staying Safe Online

As part of our Online Information category, we look to our King. Our guide this week gives lots of interesting information about the life and background of our King, including his passions and achievements.

The life of KING CHARLES III

1948 Charles Windsor is born in Buckingham Palace to proud parents Princess Elizabeth and Prince Philip.

1952 Charles' mother becomes Her Majesty Queen Elizabeth II of England, making him the heir apparent.

1958 Charles is made Prince of Wales but does not have his investiture until 1969, when he is crowned in a televised ceremony.

1971-76 Following in the footsteps of his father, grandfather and two great-grandfathers, Charles serves in the RAF. After training as a jet pilot, he joins the Royal Navy.

1982 The couple's first child, William, is born in St Mary's Hospital in London - and two years later, Prince Harry is born. Unlike many royal fathers, Charles was present at the birth of both his children.

1981 The prince marries Lady Diana Spencer in a ceremony at St Paul's Cathedral after a five-month engagement.

1976 On leaving the navy, Charles uses his severance pay to set up The Prince's Trust - a charity to help vulnerable young people which is still running today.

2005 Having divorced in 1996, Charles marries his second wife, Camilla Parker Bowles, in a civil ceremony at Windsor Substation.

2022 Charles becomes king following the passing of his mother, Queen Elizabeth II. He was the longest serving heir apparent in British history.

2023 Charles is crowned in a ceremony at Westminster Abbey alongside his wife Camilla, becoming the oldest British monarch to ascend to the throne.

GOD SAVE THE KING

Did you know?..

- Charles was the monarch in waiting for 70 years, overtaking Edward VII who had been heir apparent for 29 years.
- Charles is also passionate about architecture. His charity - The Prince's Foundation for the Built Environment - has helped design, construct and refurbish important buildings around the world. This won His Majesty the Driehaus Architecture Prize from the University of Notre Dame.
- The new king has a degree from the University of Cambridge and A Levels in History and French.
- Charles is a committed environmentalist who has supported campaigns to address climate change. In 2021, he won Harvard University's Global Environmental Citizen Award.
- At 73, Charles becomes the oldest British king to be crowned. The previous oldest was William IV, Queen Victoria's uncle, who was 64 at his coronation way back in 1830.
