<p>3d. How adaptations are made to the curriculum and the learning environment of pupils with SEND</p>	<p>The curriculum /learning environment may be adapted by:</p> <ul style="list-style-type: none"> <li>• Differentiation by outcome, level of support and the resources provided</li> <li>• Appropriate choices of texts and topics to suit the learner</li> <li>• Additional adult support</li> <li>• Displays that enhance learning</li> <li>• Use of working walls</li> <li>• Visual timetables</li> <li>• Sensory circuits</li> <li>• Individualised targets</li> <li>• Use of workstations</li> <li>• Use of specialist resources such as fiddle toys, writing slopes, enlarged print, coloured over-lays, sensory equipment</li> <li>• Quiet areas in the classroom</li> <li>• Adaptions to the environment for children with disabilities following advice from Occupational therapists i.e. ramps, wider doors, hand rails, specialists toilet seats</li> <li>• Use of Makaton to assist children with hearing impairments.</li> </ul>
<p>3e. Additional support for learning that is available to pupils with special educational needs</p>	<p>Additional support is considered on an individual basis. Those children with PPs or Personal Plans at SEN support level are targeted for either individual or small group interventions as appropriate. Interventions may include:</p> <ul style="list-style-type: none"> <li>• Programmes set by outside agencies such as Speech and Language therapists or Occupational Therapists.</li> <li>• Multi-sensory learning opportunities.</li> <li>• Maths, English, phonic or reading class-based intervention groups. <ul style="list-style-type: none"> <li>▪ Fine-motor skills interventions</li> <li>▪ Handwriting programmes</li> <li>▪ Social skills interventions</li> <li>▪ Sensory diets/circuits</li> <li>▪ Advice and recommendations from outside agencies will be incorporated into teaching.</li> </ul> </li> </ul> <p>Teaching Assistants are allocated to classes according to the level of need within each class. Interventions are carried out either by the teacher or the teaching assistant.</p>

3f. How school enables pupils with special educational needs to engage in the activities of the school (including physical activities) together with children who do not have special educational needs.

3g. Increasing the extent to which disabled pupils can participate in the school's curriculum

3h. Improving the delivery to disabled pupils of information which is readily accessible to pupils who are not disabled

St Barnabas CEP School is highly committed to inclusion and equal opportunities. Our Equality Policy and Plan is available on the website. Steps taken to ensure that all children with SEND are fully included in our wide range of activities include:

- Consideration of the most appropriate classroom in terms of space and access.
- Adaptions to the classroom and outdoor areas, i.e. hand rails, ramps, wider doors, measure such as drilling holes in tyres, to prevent build-up of stagnant water. A surround sound system and large screen projector has been installed in the hall to support visually and hearing-impaired children.
- Adaptions to the school grounds such as avoiding steps and improving the gradient of the floor surface, particularly in EYFS
- Use of specialist resources or equipment i.e. writing slopes, pencil grips, ICT software, enlarged print, overlays, theraputty, specialist chairs, handwriting programmes, physio equipment, sensory equipment.
- Referrals to Occupational therapy or Physiotherapy for advice and support.
- Adapting activities to be inclusive for all. For example, adapting sports day activities, altering the stage layout.
- Additional adult support.
- Pre-visits to establishments to enable full participation in school visits.
- Individual risk assessments
- Alternate transport arrangement for visits
- Working closely with outside agencies. For example, with Warrington's Sensory Support service to meet the needs of hearing and visually impaired children and with Occupational Therapists and Physiotherapists to complete an environmental assessment and advice when writing health care plans..
- A disabled parking space.
- Personal Emergency Evacuation Plans are written if a child needs specific support to exit a building in an emergency.
- Use of Class Dojo messaging system to liaise closely with parents on a daily basis, for example regarding which physio activities have been carried out, medication information etc.

All adaptations, modifications or use of equipment is considered on an individual basis and in consultation with parents/carers or outside agencies as appropriate.

3i. Support that is available for improving the social emotional and mental health of pupils

Pupils are well supported by:

- Targeted support for individual and groups of pupils

<p>with special educational needs</p>	<ul style="list-style-type: none"> <li>• A Good Behaviour and anti-bullying policy</li> <li>• A well-being policy</li> <li>• Pupil Voice</li> <li>• Social skills interventions</li> <li>• Attention and Listening group</li> <li>• A whole-school behaviour system</li> <li>• Referrals to CYPMHS (Child and Young Persons Mental Health Services)</li> <li>• School Health Advisor</li> <li>• Educational Psychologist</li> <li>• Weekly PSHE sessions to address specific issue relating a class or individual.</li> </ul>
<p>4. The Name and contact details of SEND Co-ordinator Name and contact details of SEND Governor</p>	<p>Mrs Jayne Fisher is the SENCO for St Barnabas CEP School Mrs Ann Ellison is the Governor with responsibility for SEND. Please contact via the school office. Tel: 01925 633606</p>
<p>5. Information about the expertise and training of staff in relation to children and young people with SEND, including how specialist expertise will be secured.</p>	<p>The SENCO Mrs Fisher is a qualified teacher. Teaching Assistants regularly attend training held by Warrington's Speech and Language service in order to deliver individual programmes of support. Staff are highly skilled in supporting pupils with SEND and continue to enhance their professional development through:</p> <ul style="list-style-type: none"> <li>• Precision Teaching Training</li> <li>• Working memory training</li> <li>• Makaton training</li> <li>• EpiPen training</li> <li>• Team Teach training</li> <li>• SEND accredited training by Advanced Solutions- ASD with demand avoidant behaviour, ADHD, neurodevelopmental conditions and sensory processing difficulties training.</li> <li>• Termly Inclusion network meetings</li> <li>• Hearing Impairment training</li> </ul>

	<ul style="list-style-type: none"> <li>• Whole-school de-escalation training</li> <li>• Speech and Language Training, for example SOC Training</li> </ul>
<p>6. Information about how equipment and facilities to support children and young people with special educational needs will be secured.</p>	<p>The school funds the first £6,000 of a child's provision. Any further funding may only be available for those pupils with high levels of need via an application to the council for top-up funding via an Education Health and Care Plan. This may provide additional funding to support school to implement the provision identified in the plan. The provision in the plan is reviewed annually or bi-annually through the statutory review process.</p> <p>All funding devolved to the school is used to fund:</p> <ul style="list-style-type: none"> <li>• Suitably qualified adult support</li> <li>• Quality resources and environments</li> <li>• Referrals to consultants</li> <li>• SENCO management time</li> <li>• Any adaptations needed to the school environment to support inclusion</li> <li>• Staff development and training</li> <li>• Facilitation of SENCO meetings and additional meetings with parents and outside agencies.</li> </ul>
<p>7. The arrangements for consulting parents of children with special educational needs about, and involving such parents in, the education of their child.</p>	<p>The school is committed to working closely with parents and the first point of contact for parents is the class teacher. Our 'Open Door' policy enables parents to have brief discussions on a daily basis and when appropriate more formal meetings can be arranged. Staff and parents can also communicate via email and telephone. Parents are invited to attend Parent's Evenings twice a year and will receive written reports in the Summer term. PP/Personal Plan reviews will take place at least three times a year. Parents will be signposted to Warrington's local offer and made aware of the Information, Advice and Support Services (IASS), (formerly Parent Partnership Service), Warrington AskOllie Service, and supported to engage with external agencies if appropriate, including a comprehensive selection of training and support from Advanced Solutions. Any concerns about a child will be discussed with parents at the earliest opportunity so that we can work together to best support the child and parents will be involved at every stage of their child's progress. Parents are encouraged to be involved with target setting for Pupil Passports, Personal Plans and Health Care Plans and completing one-page profiles, if appropriate, when a child is first put on the SEND list. Some home activities may be provided. Parents and pupils are invited to share the paperwork and to review progress. For children with more complex needs, risk assessments may be completed. Parents of children with EHCPs will also be invited to an annual or bi-annual review, along with relevant support service personnel connected to the child, and the pupil themselves if appropriate.</p>

<p>8. The arrangements for consulting young people with special educational needs about and involving them in, their education.</p>	<p>Children are regularly consulted about their next steps and what teachers can do to support them and are given several opportunities to express views via pupil voice interviews and questionnaires, as well as individually to their class teacher. Pupil's views are also included when completing one-page profiles. The views of parents and children with EHCPs are collected prior to their annual EHCP review and included in the paperwork.</p>
<p>9. Arrangements made by the governing body relating to the treatment of complaints from parents of pupils with special educational needs concerning the provision made at the school.</p>	<p>Through full consultation and taking the views of parents and children into account, it is hoped that there would not be any disagreement over meeting the needs of children in our school. However, in the event of a disagreement the matter will be dealt with in line with the current Code of Practice and the school's Complaints Policy (available on school website)</p> <p>Should a parent or carer have a concern about the special provision made for their child they should in the first instance discuss this with the class teacher. If the matter is not resolved satisfactorily parents have recourse to the following:</p> <ul style="list-style-type: none"> <li>• Discuss the problem with the SENCO</li> <li>• Discuss the problem with the Headteacher</li> <li>• Parents are informed about Information Advice and Support Services (formerly Parent Partnership)</li> <li>• More serious on-going concerns should be presented in writing to the SEND Governor, who will inform the Chair of the Governors.</li> </ul> <p>Parents are informed about Information Advice and Support Services (formerly Parent Partnership) which will provide support should any issues arise. Should a parent or carer have a concern about the special provision made for their child they should in the first instance discuss this with the class teacher. If the matter is not resolved satisfactorily parents have recourse to the following:</p> <ul style="list-style-type: none"> <li>• Discuss the problem with the SENCO</li> <li>• Discuss the problem with the Headteacher</li> <li>• Parents are informed about Information Advice and Support Services (formerly Parent Partnership)</li> <li>• More serious on-going concerns should be presented in writing to the SEND Governor, who will inform the Chair of the Governors or School Adviser.</li> </ul>
<p>10. How the governing body involves other bodies, including health and social services, local authority support services and voluntary organisations, in meeting the needs of pupils with special educational needs and in supporting the families of such pupils.</p>	<p>School is supported by a range of consultants and experts including:</p> <ul style="list-style-type: none"> <li>• School health advisor</li> <li>• Educational Psychologist</li> <li>• Sensory Impairment Support (Visual and Hearing)</li> <li>• CAMHS</li> <li>• Community Paediatrician</li> </ul>

<p>11. The contact details of support services for the parents of pupils with special educational needs, including those for arrangements made in accordance with section 32.</p>	<p>When a pupil's special educational need is first identified, parents are consulted with and any relevant support services such as Warrington Borough Councils Independent Advisory Service and Advanced Solutions are shared.</p>
<p>12. The school's arrangements for supporting pupils with special educational needs in a transfer between phases of education.</p>	<p>The transition from Early Years Foundation Stage to Key Stage One and Two, is carefully considered for pupils with SEND. For example;</p> <ul style="list-style-type: none"> <li>• Transition meetings are held between the current and new teachers</li> <li>• Records sent to next school with details of SEND and provision so far.</li> <li>• Transition books created for individuals if required.</li> <li>• A full day is spent in the new class with a range of PSHE activities are completed to help build relationships before returning after the summer break.</li> <li>• When moving to a new year group, the needs of SEND children are discussed during transition meetings between the current and new teacher. Information regarding individual pupil's SEND is passed on in the class file and all reports are securely stored on CPOMS</li> </ul>
<p>13. a) The arrangements for the admission of disabled pupils</p>	<p>Pupils with special educational needs and disabilities will be admitted to St Barnabas CEP School in line with the school's admissions policy. The school is aware of the statutory requirements of the Children and Families Act 2014 and will meet the Act's requirements. Open days are held in the Autumn term for parents to have a guided tour of the school and see what a typical working day in school looks like. This is an opportunity to look at the suitability of the setting for your child and ask any questions that may arise in relation to your child's SEND. Parents whose children are due to start the school or nursery will be invited to an intake meeting during the summer term where they will be given the opportunity to meet the Headteacher and teaching staff. Any concerns or issues regarding a child SEND can be discussed at this meeting or an alternative time can be arranged. The school will use their induction meetings to work closely with parents to ascertain whether a</p>

	<p>child has been identified as having, or possibly having special educational needs or disabilities. In the case of a pupil joining the school from another school, we will seek to ascertain from parents whether the child has additional needs and will access previous records as quickly as possible. If the school is alerted to the fact that a child may have a difficulty in learning they will make their best endeavours to collect all relevant information and plan a relevant differentiated curriculum.</p> <p>When a pupil transfers to another school, transfer documents, including full records of their special educational needs, will be sent to the receiving school.</p>
<p>13. b) The steps taken to prevent disabled pupils being treated less favourably than other pupils</p>	<p>St Barnabas CEP School is a fully committed to ensuring the equality of opportunity, treatment and provision of all pupils. The steps taken to ensure this included:</p> <ul style="list-style-type: none"> <li>• Adhering to the Disability Equality Scheme and Accessibility Plan (available on the website)</li> <li>• Adhering to the Special Educational Needs and Disability Policy (available on the website)</li> <li>• Circle times and assemblies which celebrate individual differences</li> <li>• Creating an environment in which all individuals are valued, have respect for one another and grow in self-esteem through use of the 'Golden Rules' whole school behaviour system.</li> <li>• Children are given equal access to all aspects of school life through social, academic and practical experiences.</li> <li>• All staff and governors are aware of and adhere to the implications of the Disability Discrimination Act (DDA) and through training and development opportunities, embed the good practice across all aspects of school life.</li> <li>• The school has an Accessibility Plan to enable us to consider the suitability of our premises in meeting the needs of our pupils</li> </ul> <p>Further details can be found in the Disability Equality Scheme and Accessibility Plan and also the SEND Policy, both of which are available on the website.</p>
<p>13. c) The facilities you provide to help disabled pupils access the school</p> <p>d) improving the physical environment of the school for the purpose of increasing the</p>	<p>St Barnabas CEP School has an Accessibility Plan which details the facilities we provide to help disabled pupils access the school. These include:</p> <ul style="list-style-type: none"> <li>• Adaptions inside school such as wider doors, a surround sound system and large screen projector has been installed in the hall to support visually and hearing-impaired children</li> <li>• Adaption in the school grounds such as</li> </ul>
